Hi Ashneel,

We'd like to take this opportunity to thank you for registering your interest in our advertised Android Developer (ref: NP\_418472B) opportunity through Seek on the 31-May-2017.

Although your profile looked good, unfortunately we won't be progressing your interest due to identifying another candidate slightly more suited to this particular opportunity.

We were impressed with your profile so will keep your details on record for future suitable opportunities.

Thanks for your interest and we wish you all the best with your job search.

Regards,

**The Halo Consulting Team**

**Please do not respond to this email for feedback - Unfortunately due to the high volumes of applications received, we can't provide detailed feedback on every application**

TECHNOLOGY  
PEOPLE

Hi Ashneel,

Thank you for your application for the Junior Developer position. We have just been informed that the client has now shortlisted other candidates for this role.

Should the situation change or another suitable role come up, I will make sure to touch base with you.

With your permission we will keep your CV on file and as an appropriate role comes up that matches your skills, experience and aspirations, we will contact you to talk through the opportunity.

In the meantime, please be assured that we will not put your CV forward to any client without discussing it with you first.

We wish you every success with your job search and thank you for your interest in this role.

Have a great week ahead :)

Kind regards,

**Catherine Clarke**

### Student Job Search

Hi Ashneel Kumar,

You recently applied for the Web Design - Fixed Term - AucklandCBD position via SJS, but on this occasion the employer has advised us that your application was unsuccessful and won't be progressing any further. We hope the employer has also been in touch with you directly, or they may give you an update of their own in the near future. If this is not the case and you are still in communication with the employer, or were hired for this role, please let us know and we can update these details as needed. You are welcome to reply to this email or give us a call on 0800 757 562.

We have heaps of other jobs available on the website which could be suited to your skills, so if you are still looking for work please keep applying. If you were after further information on how to prepare for any stage of the job application process you can find some helpful guides here - <http://www.sjs.co.nz/content/student-guides>

Good luck with the job hunt!

Dear Ashneel,

Thank you for sending in your CV in response to our job advert.

We are currently processing CVs received for this role. If your CV is a match against the role requirements we currently have, we will be in touch within the next couple of days.

We'll let you know if the role isn't a match for your experience and background. We will keep your CV on file and as an appropriate role comes up that matches your skills, experience and aspirations, we will contact you to talk through the opportunity.

In the meantime, please be assured that we will not put your CV forward to any client without discussing it with you first.

Please follow us on LinkedIn for our hottest jobs and industry related news.

Kind regards,

The Team at RWA Technology People
