EDUCATION

MASSEY UNIVERSITY   JANUARY 2013 - DECEMBER 2016
Auckland, new zealand.
Bachelor of Information Sciences (BInfSc), Software Engineering

NORTHCOTE COLLEGE   JANUARY 2008 - DECEMBER 2012
Auckland, new zealand.
National Certificate of Education (NCEA), Level 3

EXPERIENCES

SOFTWARE DEVELOPER   MARCH 2016 - DECEMBER 2016
Electrix Ltd.

Worked with a team on a software project called LoneSafe for Electix Ltd. LoneSafe is a platform on the cloud that tracks lone workers through their android smart phone. LoneSafe allows Electrix to remotely monitor their workers, ensuring their safety. This project was supervised by Massey University as part of the final year software engineering project.

My role in this project consisted of:
·   Android application development
·   Database design and development using MySql , Php, and PhpMyAdmin
·   Desktop application developement using C#

INTERN SOFTWARE DEVELOPER   AUGUST 2016 - DECEMBER 2016
Massey University,

Software developer intern working with a team of other developers and Massey Research to design, develop and document a web-based virtual research environment for the Massey Geoinformatics Collaboratory.
